**Musical Theatre** Explore the exciting world of musical theatre and sing, dance, act, play theatre games, create original scenes as an ensemble, and maybe even do some set/costume design. We offer two classic musical camps this summer. Dance on the rooftops in *Mary Poppins* or join the Lollipop Guild as you journey to the *Wizard of Oz*. Discover the joy, energy, laughter, and skills the magic of theatre brings! 2 in-person camps and 1 virtual!

**Dance & Mixed Media Art** Unleash imagination and experiment with a variety of materials, tools, and techniques in this hands-on camp! Children explore movement through the lens of a visual artist. Dance concepts are paired with visual art concepts, deepening learning as children develop their reasoning, creativity, and problem solving skills.

**Global Dance** Travel the globe to understand how dance reflects life! Explore a new continent each day and learn about powerful dances like Afro-Brazilian Capoeira, Hawaiian Hula, West African Mask Dance, and more. Discover the dance concepts emphasized in each dance and appreciate how music and environment express and influence the culture

**Hip Hop** Explore dance styles from the vibrant culture of Hip Hop, through the lens of the dance concepts. Dancers develop their own voice while learning the history of Hip Hop dance and culture. Movement vocabulary from breaking, locking, popping, commercial/new style, and House dance. We also create art inspired by Hip Hop culture!

**Art in Motion** Each day discover a new artist and the connections between visual art and dance. Harriet Powers (Story Collages), Claude Monet (Landscape Paintings), Giuseppe Arcimboldo (Optical Illusion Portraits), and M. C. Escher (Tessellation Pictures) will inspire our creations. Engages creativity through kinesthetic and visual/spatial learning experiences!

**Teen Intensive** We are thrilled to offer this week-long intensive for teens! Master classes with CDC and guest faculty: Sarah Alaways, Nia-Amina Minor, Noelle Price, Tshedzom Tingkhye, and Bri Wilson. Each day includes a 90 minute modern class, a talk back, and a 90 minute specialty class in Jazz, Afro-Contemporary, Ballet, and Creative Process.

**Hip Hop & Storytelling** Dive into the art of storytelling and movement design! In this workshop, students will learn the essence of storytelling, think outside traditional structures of performance, and be challenged with creative exercises to build movement vocabulary. Using hip hop techniques, students will co-create and translate their personal stories into movement, culminating in a showcase at the end.
