Art in Motion Each day discover a new artist and the connections between visual art and dance. Harriet Powers (Story Collages), Claude Monet (Landscape Paintings), Giuseppe Arcimboldo (Optical Illusion Portraits), and M. C. Escher (Tessellation Pictures) will inspire our creations. Engages creativity through kinesthetic and visual/spatial learning experiences!

Ballet Stories Have fun bringing to life story ballets such as Swan Lake, Cinderella, The Firebird, Sleeping Beauty, and The Nutcracker. Includes an age-appropriate, dance-concept based ballet class each day and many fun activities like stories, creating props, and crafts!

EnviroDance! Art in Nature Connect with the natural world through movement and art. Each day a new exploration awaits dancers – learn how dance concepts like Energy, Flow, Shapes, and Pathways are also seen in living plants and animals, weather, land, and water. Creative dance class and daily art project are thematically linked allowing dancers to see, feel, and discover nature in art and art in nature.

Hip Hop Explore dance styles from the vibrant culture of Hip Hop, through the lens of the dance concepts. Dancers develop their own voice while learning the history of Hip Hop dance and culture. Movement vocabulary from breaking, locking, popping, commercial/new style, and House dance. We also create art inspired by Hip Hop culture!

Musical Theatre Explore the exciting world of musical theatre and sing, dance, act, play theatre games, create original scenes as an ensemble, and maybe even do some set/costume design. We offer two classic musical camps this summer. Journey to Colombia in *Encanto* or delve into the magic of Mexico in *Coco*. Discover the joy, energy, laughter, and skills the magic of theatre brings!

Roots & Branches: Jazz | Ballet | Modern The roots of jazz, ballet, and modern dance run deep! Understanding the lineage and history of these dance forms allows us to explore and follow the branches that grew and continue growing from the roots. Join us for a fun week of discovery with dance classes in all three genres. Your creativity and unique voice will become part of the exciting and ever changing world of dance!

Stories in Motion Stories come to life as we spark imagination and movement using the rich language and art of children's literature. Books jump off the page as students explore character and plot using the elements of dance and make art projects inspired by our reading and story-making. Each dancer contributes creativity to the pot to stir up an Original Dancing Story that gets written throughout the week!

Teen Intensive Experience freedom & growth this summer! A caring, inspiring faculty is ready to support your development as a dancer & creative artist. Five exceptional guest artists lead daily classes and discussions in diverse genres such as Afrobeats, Horton Technique, West African Dance, and Holistic Ballet.
